

FARHAD FARAJI

Full-Stack Web Developer

- 0090 (543) 455 2160
- farhadham2@gmail.com
- www.farhadf.com
- Iran /Turkey

I started my coding journey in Jan 2022. Still, with my Extreme passion and tireless mindset toward learning new tech and prior skills in engineering and solving issues, I built my first fully functional e-commerce application using React Native, Express.js, and MongoDB in only one month. Coding has become my primary hobby, and I enjoy reading Docs and facing bugs.

WORK EXPERIENCE

- Full-Stack Web Developer - Freelance**2022 - present
- Provided effective troubleshooting and remediation for web applications.
 - Interfaced with clients to identify business requirements.
 - Worked with a proficient understanding of code conversion tools.
- Audio Engineer / Music Composer - Freelance**2019 - 2022
